## Apple Dumplings

## General Information

## Pies

We make our apple dumplings from scratch using fresh, peeled and cored apples and our own home-made pie dough. The dumplings are baked in a sweet, buttery syrup. Splenda-sweetened dumplings are also available. The dumplings are baked and individually packaged, ready to be delivered to your customers.

### Apple Dumpling Prices

Regular apple dumpling.....\$2.85  
Splenda-sweetened apple dumpling....\$3.10

We charge a \$1.00 deposit for the boxes the pies and dumplings are packed in. This is refunded to you if the box is returned in good condition. This allows us to reuse them and keep our cost down. The size and shape of the box is critical to get the dumplings moved without spilling the delicious syrup.

Fundraisers can be either dumplings or pies. Mixed orders are no longer accepted. A minimum of 100 dumplings or 42 pies is required to qualify for the fundraiser price.

Please reserve your date prior to taking orders.

Our pies and dumplings are made fresh for your customer. Please refrigerate any pies or dumplings that are not delivered to your customer the day they are picked up.

Try the newest addition to our fundraisers! Our own fresh-baked 8 inch pies (serves 6). Variety availability will change by season so please check when you schedule your fundraiser. We make our own fresh pie dough, the same that is so popular on our apple dumplings. The pies will be prepared and baked fresh for your delivery date.
